

Do you think somebody is Rad?

Or other R words, like Responsive and Responsible
And Really good at communication.

Then nominate this person as a candidate for Volunteer Representative to Free Geek's Board of Directors.

We've made a commitment to have no less than one quarter of the board consist of volunteer representatives. Nominated by core volunteers, these representatives make sure that the interests and values of the volunteers at large are considered in the board's strategic planning. The first selection of volunteer representatives will be this September, at our first ever Town Hall Meeting.

Yes I think someone is Rad, and their full name is

You can find this person at Free Geek in (e.g. adoption, build, servers, etc)?
